

The Stirring Small Group Sermon Discussion Questions

Personality Profile: The Attributes of God

God Is Powerful

July 18, 2010

Dr. Eli Morris

- What is one situation or thing you *have* to have control over?

READ Psalm 66: 1 - 9

- What is one power of God's that truly amazes you?
- Do you find more comfort in God's power to create, sustain or redeem?
- What comforts of God's power do you find yourself praising most often?
- What is your vision of a world heeding to God's power?
- What about God and His ways of dealing with all people would we learn from your testimony?
- What one thing can you do this week to exemplify God's power? What one thing can we do as a group this month to serve "the least of these?" (see reverse)

Rather than sharing prayer requests in a discussion, try praying them together. Someone open in prayer and allow group members to pray randomly. Silence is okay. Praying more than once is okay. Have someone else close the prayer.
